

## Monitoring and independent verification of milestones (DRC)

**Decision EB.2017.13**

**Adopted on 27 June 2017**

The Executive Board

1. Requests the FONAREDD to prepare and fill in the Milestones Monitoring Matrix (*Matrice de suivi des jalons de la Lettre d'intention*) and present it at the next meeting of the Steering Committee
2. Suggests to the DRC a joint monitoring mechanism based on
  - a. Trimestrial technical meetings convened by the coordinator of Committee of the Ministry of Finance to monitor reforms (Comité de suivi des réformes)
  - b. Annual high level meeting, co-headed by Minister of Finance and CAFI donor, back to back with FONAREDD Steering Committee
3. Asks the CAFI Secretariat to revert to the CAFI Board with a concrete proposal to undertake the independent verification of the LOI milestones by September
4. Agrees to propose to the Government of DRC that the Annual Partnership Monitoring meeting, anticipated in the Letter of Intent, takes place in September or October 2017. This meeting is proposed to be a high technical-level meeting that includes a ministerial session, considering the policy implications of the issues discussed.
