**The CAFI Executive Board** examined (i) the request of the Government of the DRC, (ii) the financing needs demonstrated by the positive resolutions of the CRP and (iii) the decisions of the FONAREDD Political Steering Committee of November 27, 2024. On this basis, the CAFI Executive Board:

1. **Approves** the transfer of 10.495.379,00 USD (ten million four hundred and ninety-five thousand three hundred and seventy-nine US dollars) from the CAFI Trust Fund to FONAREDD, to

complement available funds in the FONAREDD account, to support the implementation of the program portfolio and to finance the 8 above-mentioned programmes.

2. **Recalls** that:

- a) Per the [Manual of Operations of CAFI](#), all programmes must use and comply with CAFI's reporting templates and those approved after November 2023 must use and comply with the [CAFI Monitoring & Evaluation Guidelines](#).
- b) Programmes must demonstrate an expenditure of at least 70% of the funds transferred before requesting the transfer of the next installment. The CAFI Executive Board **underlines** the need for sound and detailed financial reporting and **recalls** that, per the MOUs signed between the implementing organizations and the Trust Fund, the financial reports will provide information on the use of financial resources compared to the outputs and outcomes in the agreed results framework.
- c) CAFI's position on the disbursements of funding tranches for AFOLU projects (Agriculture, Forestry and Other Land Use) will be informed by CAFI [EB.2024.33](#) decision on independent verification.

3. **Thanks** the FONAREDD Executive Secretariat for sharing this decision with the governance bodies of FONAREDD.
